- Tell us your name and account number.
- Describe the error or the transfer you are unsure about, explain as clearly as you can why you believe there is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days for point-of-sale or foreign-initiated transactions) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so you will have the money during the time it takes us to complete our investigation.
